

“Adopt An Animal”  
2017-2018 Contest

The fourth edition of our “Adopt An Animal” contest is now underway for the new school year. Last year, Mrs. Silva’s 3<sup>rd</sup> grade class at Alpine Vista Elementary School provided the winning name for our graceful Barn Owl, ‘Hutulu’ (‘Owl’ in the Yokuts language)! This year, we need a name for our Museum’s hard working woodpecker (Northern Red Shafted Flicker).

Each Tulare City Schools’ 3rd grade class will submit a name for the contest as they visit the Museum throughout the school year. The winning class will receive a pizza party, along with a special certificate for their classroom. They will also receive recognition on the new animal’s name card at the Museum!
