

‘SUNDAYS @ 2’ CULTURAL PROGRAM

Special Documentary Screening of “Surviving The Dust Bowl”

March 15, 2020

Join us on Sunday, January 15th at 2pm for the next installment of THM's "Sundays @ 2" Cultural Program. In honor of THM's upcoming Wilma McDaniel Literary Landmark Celebration on March 28th, March's 'Sundays @ 2' program will be a special screening of the PBS American Experience documentary "Surviving The Dust Bowl."

Produced in 2007, the documentary chronicles the lesser known stories of the Dust Bowl, those "who stayed and overcame an almost decade of unbelievable calamities and disasters, enduring drought, dust, disease and even death, determined to preserve their way of life."

The program will be held at 2:00pm in the Heritage Art Gallery at THM. Event admission is free. THM's "Free Admission Sunday" is also held in conjunction with the program, from 12:30-4:00pm.
